Meeting called to order by Ernie at 6:18 p.m.; minutes read and accepted—motion by Daron, second by Glenda.

We briefly discussed the upgrade to the benches.

Keith went over treasurer's report: \$274,572.49 balance. Tax filings are all completed. We discussed items such as: \$1,000 donations to the VFW Wall at Foster Park, the Memorial Day Parade, etc. Keith will move \$10,000 from savings into the checking account to cover upcoming expenses. Motion by Keith, second by Mike to designate up to \$1500 toward a defibrillator at the Village Hall. Motion by Daron, second by Mary for the ACSAA to pick up the Sertoma scholarships.

Kathy submitted her basket raffle report and status of baskets and finances so far.

Golf: Daron mentioned this year's tournament will cost \$70 per person; we will keep the hole-in-one at a max of \$25,000 to avoid rising insurance costs.

Next we discussed newsletter status and updates. Banquet dinner price and menu will remain the same. Keith and Daron will email the updated reports and golf information for the newsletter. Ernie will check to see if Kim Edwards's membership application and check is in his PO box.

We then discussed scholarship awards; there will be six this year. Daron will check on the status of one student from last year to see if they remained enrolled in college.

Next meeting will be June 10, 2026 at 5:30 p.m. to finalize banquet.

Motion to adjourn 7:33 p.m. by Glenda, seconded by Michelle.

Respectfully Submitted,
Michael Lurenz
